

2026 Operating Budget

Building Stability | Cultivating Opportunity | Strengthening Communities

Fertile Ground Incorporated invests in housing, food access, workforce development, and community partnerships to create stronger neighborhoods and lasting community resilience throughout Georgia.

Mission Investment

2026 Operating Budget

How Your Investment Works

\$1,700,000

Housing Stability
Affordable housing, rehabilitation, and neighborhood stabilization.

Community Development
Revitalization, land activation, and sustainable investment

Food Security
Gardens, food pantry, urban agriculture, and distribution.

Workforce Development
Training, apprenticeships, certifications, and career pathways.

Organizational Capacity
Strong leadership, compliance, and grant administration.

Sustainability
Outreach, education, partnerships, and long-term environmental stewardship.

Housing
Support affordable housing development, revitalization, and stability initiatives.

Food Access
Expand gardens, food distribution, pantry operations, and urban agriculture.

Workforce
Provide apprenticeships, certifications, paid training, and workforce pathways.

Community
Strengthen neighborhoods through partnerships, education, and sustainable investment.

Partnerships
Outreach, education, partnerships, and engagement.
